

2017/2018

New Class!

What's Fer Dinner? & The Medicine Cabinet in Your Kitchen

with Dennis Ellingson, author of *God's Healing Herbs*

- Discover the benefits of using culinary herbs and wild plants in simple and satisfying dishes.
- Learn about the use of culinary herbs and local plants and their healthy benefits. There will be samples from the *Herb Guy's Cookbook* at each class. Learn why some of our favorite herbs are the medicines in your kitchen cupboard.

9:00 to 10:30

\$25.00 per person

Please circle which date you will be attending:

December 2

March 31

Museum Volunteers and Members receive a 10% discount.
